**Maturing:** In stainless steel tanks in order to capture the aromas.

#### THE TERROIR

Vineyards bearing the name of this appellation spread across some 1,300 hectares situated to the north of Lyon, between Villefranche-sur-Saône and Mâcon. The appellation also surrounds one of the Beaujolais hills, Mont Brouilly. Well protected from the wind, the vines are cultivated on slopes with perfect exposure to the sun while drawing their appealing character from soils composed of granite and sand.

#### DID YOU KNOW?

This appellation Brouilly AOC was created in 1938 and is the furthest south of the 10 Beaujolais "Crus". It is produced in 6 villages of the Rhône département : Cercié, Charentay, Odenas, Quincié-en-Beaujolais, Saint-Étienne-La-Varenne and Saint-Lager.
