## ROUNDED AND GENEROUS RED WINE

### Rully

#### TASTING NOTES

**Visual:** Deep, ruby red colour.

**Nose:** Aromas of red and black fruits with a hint of pepper.

**Palate:** It is dense yet elegant in the mouth with silky tannins.

#### WINE AND FOOD PAIRING

To accompany dishes such as cold cuts, couscous, tajine, red meats and desserts with red fruit or chocolate.

For family occasions we typically serve it alongside a Beef Bourguignon.

**Serving temperature:** 16-18°C.

#### WINEMAKING AND MATURING

**Grape variety:** Pinot Noir.

**Vinification:** Classic red wine vinification with long vatting times and gentle pressing to protect the quality of the juice.

**Maturing:** In barrels to enhance structure and complexity.

#### THE TERROIR

The vineyards of Rully are located in the northern tip of the Côte Chalonnaise and cover 344 hectares on soils similar to those of the Côte de Beaune. 226 hectares produce white wine from Chardonnay and 118 hectares produce red wine from Pinot Noir; the white wines are well-known while the often overlooked red wines are surprising. Planted at altitudes between 230 and 300 metres and forming the outline of a bean, the vineyards benefit from brown or calcareous soils with low clay content (soils for Pinot Noir) and chalky-clay soils (good for Chardonnay).

#### DID YOU KNOW?

The ancient village of Rully (pronounced “rhoey” to rhyme with Louis) dominates the plain of the Saône. Its imposing medieval castle has belonged to the same family for 6 centuries and its church is renowned for the elegant bell tower. These landmarks, along with the flower-filled balconies of the stone houses, combine to make a fine example of the villages of the Côte Chalonnaise where vines share the landscape with fields and forests.
